## **Background on the Tax Justice Network Australia**

The Tax Justice Network Australia (TJN-Aus) is the Australian branch of the Tax Justice Network (TJN) and the Global Alliance for Tax Justice. TJN is an independent organisation launched in the British Houses of Parliament in March 2003. It is dedicated to high-level research, analysis and advocacy in the field of tax and regulation. TJN works to map, analyse and explain the role of taxation and the harmful impacts of tax evasion, tax avoidance, tax competition and tax havens. TJN's objective is to encourage reform at the global and national levels. The Tax Justice Network aims to:

- (a) promote sustainable finance for development;
- (b) promote international co-operation on tax regulation and tax related crimes;
- (c) oppose tax havens;
- (d) promote progressive and equitable taxation;
- (e) promote corporate responsibility and accountability; and
- (f) promote tax compliance and a culture of responsibility.
