**Submission from the Tax Justice Network Australia to consultation
on the Response to PwC – Tax Practitioners Board reform
4 October 2023**

The Tax Justice Network Australia (TJN-Aus) welcomes the *Treasury Laws Amendment (Measure for Consultation) Bill 2023: Tax Practitioners Board* and supports it being introduced to the Parliament. We welcome that the Bill implements valuable recommendations made by the TPB Review released in November 2020 that were neglected by the previous government.
